

Discharge authority

Your direct debit will be suspended four (4) business days prior to your discharge date

- Repayments made via salary credit will continue until you make arrangements with your employer to cease this arrangement
- In order to calculate a payout figure for settlement, all access to available funds/redraw will be suspended on your loan account(s) four (4) business days prior to the discharge date. Once your account is suspended you will not have access to these funds
- Where a discharge settlement has been booked in and does not proceed on the scheduled date, you will be required to meet any contractual loan repayment obligations which fall due. Loan repayments which fall due will need to be paid manually during the period that your direct debit is suspended
- Any available funds in your offset account will be used to reduce your payout figure (if not redrawn prior to discharge being booked in)
- If you received a credit card with your home loan, the balance owing and status of the credit card account will not be affected by this home loan discharge. Please also note that you will be charged a credit card fee annually once your home loan is discharged.
